

6th grade Work time : 45 minutes	1st Evaluation Test 3/11/2022	A test by : Miss. Rania Karamly
-------------------------------------	----------------------------------	------------------------------------

I- Comprehension (6 marks):

The text:

Hi everyone! I want to tell you about myself today. Well! My name is Mark Simpson and I am an intelligent sixth grader pupil. I also have a wonderful family and many friends.

Starting with my lovely parents, they are very kind. My father and mother are English teachers and they usually love to go with me to the cinema on the weekends. I don't have brothers or sisters but that's OK because I am never alone and I am never bored.

Moving on to my friends, they are very helpful and funny, especially my best friend William who lives next to me and we are also in the same class. He is very good at tennis, that's why it's his favourite free time activity. My friends and I always play different games in the playground but our favourite sport is football and we often play it on the beach. We always win the match and score many goals. It's a very entertaining game.

In addition; me, my family and my friends sometimes go on a picnic near the river or to the park. There, we play different games like rope skipping and hide and seek. We enjoy our time together and we spend a lovely day!

That's all about me! What about you ?

1/ Write TRUE or FALSE: (1 marks)

- A- Mark is always alone.
- B- The family is composed of three members.
- C- William and Mark study together.
- D- The family often goes on a picnic near the river.
